

THE SCOUTS

Tuesday 31st July

DAILY STATION NEWS LETTER

Lochearnhead 2017

THOUGHT FOR THE DAY Today let us remember that life gives us no no guarantees. It is uncertain and unpredictable. Hence it is our duty to make the most of each day.

The Weather is Improving - apparently

We just don't know when it will happen. Despite it's best attempts to ruin things, there was still a strong amount of activites taking place yesterday thanks to some very swift rescheduling. Luckily only the climbers were affected as thunder storms threatened to arrive at midday, so a couple of quick phone calls later climbing was transferred indoors and a swimming session added. - Ha! that showed the weather. We won't let a little drop of rain stop us.

Another Station visitor.

It's not just scouts that enjoy the cullinary delictations of our wonderful kitchen staff, but we have no clue as to which group he belngs as he's not wearing his necker. Another addition to the nature board. Picture courtesy Caroline Catherell

Grilled Scout Anyone?

Hammer thrower Jason is eating us out of station and home but, by the looks of this photo he's wondering how long it would take to grill a small scout.

Scouts favourite activity?

It's in the trailer - take 2

following this phrases popular (and maybe excessive) use at the start of this weeks camp, this phrase has now been transferred to the kitchen staff as the trailer has now become their store. However, unlike Saturdays usage where the trailer was on its way from Doncaster and therefore inaccessible, it's now parked outside the kitchen and very accessible. So sorry guys, not quite as effective as admins use of the phrase - but keep trying.

EATING

Breakfast Plus...

It was noticed at breakfast yesterday that people are putting some unusual ingredients into their porridge and muesli. We discovered two:- Minstrels (thanks to Julian's Tuckshop Tip) and fresh berries.

But what would you have with your cereal? Lets us know by writing in the space below and handing the torn off strip to a leader who will pass it on to us. Pictures courtesy Irene Coldrey

Patrols J & K both had some fun at making popcorn out of fizzy drink cans, cotton wool and sawdust. My popcorn kept getting burnt but I still had fun! Max and Alfie in group K did really well at making great popcorn. It was a very fun and exciting experience.

Gabriel. Patrol J

So what did you do on your birthday Tristan?
Drove a speedboat didn't I !!!
Yeah! Right

AND FINALLY remember to make use of the 'Dry Room' by hanging up any wet clothing as soon as you've returned to the station following your water activities (including those that ended up wet thanks to the rain).
