## District Scout Cooking Competition Sunday 3rd February 2019

Six teams from five Scout groups competed against each other in the District Cooking Competition to win the Tippet trophy, with a theme of 'free from'. The teams had a vast choice of ingredients to complete their menus for the day.

It was a close call in terms of points between all the teams, with only fifteen points difference between the winners and last place. This year the trophy heads to Ashwell with their second team, named Free From Meat, being victorious. They represented the District at the County Cooking Competition on the 24 February.

Massive thanks go to ADCs, Claire and Lesley, the judges, Wendy Tierney and Jeremy Croxford and the Leaders who stayed to help oversee the competition.

**Judge Jeremy Croxford on summing up after the competition reminded the teams to "Always read the rules and then read them again".**

We're celebrating more volunteers than ever before,

but we still need more.

# 2019 North Herts heroes who 'go the extra mile' to make a difference in their communities.

North Herts heroes who 'go the extra mile' to make a difference in their communities were celebrated at a volunteer awards ceremony. There were six winners at this year's Chairman Volunteer Achievement Awards, which was organised by North Herts District Council.,

Sponsored by Letchworth based construction and property service company Willmott Dixon and backed by the Comet, the awards were held at The Priory in Little Wymondley as part of the council's celebratory reception.

The young star award went to Lucy Cook-Allen, who is actively involved in her community. A Beaver Leader, a choir member at Letchworth's St Georges Church, and a St John Ambulance cadet; she also represented Letchworth at the Lord Mayor's Show and the London Pride march.

# Annual General Meetings

## Why do we have to hold an AGM?

Every Scout Group, District and County/Area is a charity in its own right. As such the charity trustees (the Executive) are required under the Charities Act to hold an Annual General Meeting to provide information to its Members on the financial running of the charity, and to elect people onto the Executive Committee to act as trustees for the charity.

As well as electing executive members and approving the accounts, the AGM must also approve who will be 'auditing' the accounts before the next AGM. Anything else that is covered during an AGM is at the discretion of the chairman and the responsible Commissioner. Some people have Awards evenings, or barbecues or something similar to help encourage people to attend.
