Reporting these scores, Sportsmaster Ken Hart would like to add that an extensive programme was mapped out for 4 July, but time did not permit its completion. He intends to propose to the next Scouters' Council that before Norton Camp '65 there should be a day solely for all track events, with points carried forward to the day of the camp, when they will be added to points for field events taking place then. This first day would be run on the same lines as the Cub Sports. Ken would be pleased to receive any comments on this idea, which he could put forward to the Scouters' Council.

## OUR ROGER

READERS of "The Scouter" will have seen the photographs in the July edition, taken by Roger Keeney, Chicksands ASM well known to just about everybody in this district.

READERS of "The Scout" are looking forward to a series of three illustrated articles by Roger, on orienteering with the Silva compass, which will appear in "The Scout" on 26 September, 10 October and 24 October. Make sure you order your regular copies from your newsagent, and see if you can spot the local Scouts in the illustrations!

PLEASE NOTE THAT THE DISTRICT BADGE SHOP WILL NOT BE OPEN ON WEDNESDAY 5 AUGUST. All other Wednesdays at DHQ, 6.45 - 7.45 pm.

WE ARE ASKED to remind anyone using the kitchen at DHQ (a) that it is out of bounds to all Cubs, Boy Scouts and Senior Scouts unless specially authorized, and (b) that cups and other containers should PLEASE not be left out on tables or trolleys after use.

**LOOK OUT!** THERE IS TO BE ANOTHER "OPERATION NIGHTJAR" THIS YEAR IN NOVEMBER. Dates will be announced soon. For the first time, teams will consist of THREE members from each Group: two Senior Scouts and one Boy Scout over 13½. This new idea is probably to replace the proposed Adventure Evening for the older Boy Scouts, which the Senior Scout Leaders' Council now find it impossible to fit into a very crowded year!

REMEMBER JMT2 : It's either 16-18 or 23-25 October, and names should be given in to Jim Bruce right away. Only four or five more teams can be accepted.

## COCOA made with FRESH WATER?

COLIN CHALKLEY is bringing a small crew of his Sea Scouts from the Isle of Wight to camp at Astwick again from 18 to 27 August. On the Saturday evening, 22 August, they are inviting any of us to go along and join them at the campfire. It's the south, or Peewit, side of the river, at 215383. When you know roughly how many of your blokes will be going over, let Colin know (or tell KJ, who'll pass it on) so that they'll know how many gallons of cocoa to lay on.

WHILE THE SCOUT DISTRICT is still without a DC, the authority to refer to in cases of emergency is the Assistant County Commissioner with a special watching brief on Letchworth & Baldock. His name is Ron Freeman, his address is 15 Queen's Avenue, Whetstone, N.20, and his phone number is HILLside 1190. He is really ever such a nice chap and is willing to help in any way he can.
