CENSUS 1975

OFFICIAL CENSUS FIGURES show precisely the same for the District grand total as last year. We are, however, aware that a few Instructors and one or two District officials have been overlooked, so in fact the slow increase has been maintained for the fifth year in succession.

PLS' PARLIAMENT

Minutes of meetings of the District PLS' Council are now being printed each month and distributed with CO-ORDINATOR to all Scout Leaders, Group Information Officers and Commissioners.

A suggestion from the last Council meeting is drawn to the attention of the Letchworth Group Councils: "that every Group should be given an area easiest to its members and situation where all activities should be carried out, and a certain preference should be given to the more active Groups". (The proposer has in mind particularly jumble and paper collections. Group Councillors' views would be welcome, through the District PLS' Council or CO-ORDINATOR correspondence columns.)

"DISTRICT GREAT PATROL HUNT"

Patrol activity claims and attendance at the District PLS' Council put a new Patrol into second place with a strong challenge for the Jim Northover Trophy for 1975:-

CAVING

A weekend for Scouts and Venture Scouts is fixed for 12w13 July, by the North Hertfordshire Adventure Group. All interested should apply to Mr Tony Freeman at Stevenage College of Further Education.

IMPORTANT

All Scout Troops are reminded that before embarking on any MOUNTAINEERING activities, they must advise the District Mountaineering Advisor, Stephen Eaves, 47 Norton Road, Letchworth; and similarly, all WATER AND BOATING activities must be notified to the District Water Activities Committee chairman, Peter Deary, 17 Howards Wood, Letchworth. They are both there to advise and help in any way they can - but they need to know what plans you are making.

ICKNIELD SHIELD 1975

The District lightweight camping competition is at Weston Park on 14-15 June. Patrols (minimum of 3 led by PL or APL) hike there, not more than 8 miles from the start where they get sealed orders. Everything must be carried on their backs, total weight not exceeding 20 lb. each plus 20 lb. per patrol: e.g., 100lb. for a patrol of four. Those in excess at weigh-in choose what they leave behind. Hiking from 0900 Saturday till 1400 or 1430, with a specific project on the way, patrols are inspected on arrival by three judges from outside the District (maximum 20 points), then on pitching camp (30), evening meal (15), night security (20), breakfast (15), morning inspection (20), special project (10), lunch (20), striking camp (25) and judges' discretion (15). Maximum total points; 190.

Patrols work out their own menus, making best use of dehydrated foods, cooking on gas or paraffin and watching points for variety, sufficiency, nutritive value, cooking, presentation and serving.

Full timetables may be had in return for the ENTRY FORM BELOW, FILLED IN AND SENT WITH £1 ENTRY FEE PER PATROL, TO DSL JEFF ROBSON, 67 HIGH AVENUE, LETCHWORTH, BY MIDDAY SATURDAY 31 MAY. It is generally understood that entry fees will come from Troop (or Group) funds.

KON-TIKI 1975

This year's Contest for the Whalebone Trophy will be on 6-7 September, in the form of Operation Kon-Tiki (last held in 1971. Full rules will appear here next month, but briefly it is open to any troop in the District, with a team of TWO Scouts aged 13, 14 or 15, accompanied on shore by support team of up to FOUR other Scouts from the same troop. All concerned must be able to swim. The contestants spend 20 hours on board a raft they build themselves on the site from wood, rope and oil-drums (not more than six 10-gallon or 12 five-gallon drums per raft).
