MAY 1980

Another month has passed with no firm reassurance from 1A, 1-3L, 5L, 7L or 8L troops that the last two Newsletters for the Blind have been delivered. Naturally I assume that these Scouts have kept their promise and done this valuable personal service; but when they are trying to keep their records up to date, the staff of the Hertfordshire Society for the Blind would find the lists of names and addresses (each with a tick, or any correction needed) much more useful than all this abstract feeling of goodwill. I really would like to send the slips back to Hertford, to show that Letchworth & Baldock District Scouts are an efficient organization.

NORTON BURY PROJECT

ALL Groups, or Sections, are asked to organise an event - e.g. Jumble Sale, Coffee Morning, Waste Paper Collection, in fact, any event which could raise money for Norton Bury. (Perhaps it would be possible to publish in these pages how we get on - particularly if some unusual or bizarre (but legal!) event were organised?)

And if we are not involved in the organising, we can still perform that very essential task of - SUPPORTIIG!! - the fund-raising events.

Remember

NORTON BURY

Needs You !
