LETCHWORTH & BALDOCK DISTRICT SCOUT BULLETIN

Free to Scouters, Officials and Fellowship
32½p annually to subscribers

November 1980

Unfortunately, I have to start this month's "Co-Ordinator" on a sad note - ALAN MARSHALL has asked that I quote the following letter:-.

"Dear All,

Due to a change in circumstances beyond my control, I have taken the decision to resign as District Secretary.

Bob Williams of 53 Hawthorn Hill, Letchworth (tel: 6727) has accepted the appointment and it is now to him that communications should be addressed.

As a last duty, the Executive Committee have asked that we, publish my "DISTRICT DIRECTORY" to enable Bob to up-date if necessary. Some of you will recall my agitation to get it off the ground, together with the attendant Leader Records, but the number of awards made within the District has surely proven their worth.

I have enjoyed and been proud of my association with the Movement over the years and wish it well for the future.

Best Wishes to you All,

ALAN A. MARSHALL."

(The "DISTRICT DIRECTORY" is attached hereto. There are bound to be some amendments or omissions; if you would kindly inform Bob Williams of these FAIRLY QUICKLY maybe we could get an absolutely up-to-date list published for the New Year.)

DISTRICT SCOUT AND GUIDE SHOP

CHRISTMAS is coming!

Annuals, Diaries, Gifts, Cards - all available NOW. And, of course, a comprehensive range of uniform, books and badges.

The shop will close after business on Thursday, 18th December, and re-open on Tuesday, 6th January, 1981.

Don't forget, USE YOUR DISTRICT SCOUT AND GUIDE SHOP and, naturally, pass the good word round!

RUTH AND PETER BAKER (Let. 2752).

ARE YOU GOING TO BE THERE?

All uniformed leaders of the Scout section, not only their "token representatives", are urged to attend the SCOUT LEADERS MEETING on THURSDAY 20th NOVEMBER. If you want a say in planning the programme of events for next year, this is the meeting to attend!

Also, a note on "OPERATION NIGHTJAR" - this was postponed and a new date is being decided upon at the DPLC on Thursday, 30th October - hopefully more entries will be received this time.

JMT9 HOW DID IT HAPPEN?

A PERSONAL CONFESSION BY THE ADC (Scout Fellowship)

Of all the dramatic shock horror sensations in the history of Jim's Mystery Tours, the end of JMT9 was about the most. Everything had gone so well. Anne and Tony Carne had taken on the organization Of the Tour for the first time on behalf of the District Scout Fellowship, and with advice from old experienced members of the team they made it a great success. Even more important to its success were the nine teams, all of whom kept up the great tradition by finishing alive and well and apparently happy at Chelmsford in September.

It was all just about right, except that we had only one pair of tankards for a winning team; and then, having pre-set a scale of scores for the late items of photographs and newspapers from Essex, we found that two teams had won! Bravo and Foxtrot each had gained $178\frac{1}{2}$, and there was nothing we could do about it but declare it a draw and promise to get another pair of tankards, when we revealed the scoresheet that Thursday evening. Runners-up were all very close, and the fortuitous tie between BSVSU and CHVSU seemed like the decision of a just and impartial Fate smiling upon us all.

So we started packing up the corn dollies and things; and then, very politely without any air of protest or complaint, team Golf asked why one of their photographs had been given 1 point instead of 7. It seemed a fair question. An emergency staff meeting held an immediate inquiry, and could only come to the conclusion that old Johnson, filling in the scoresheet as he had been programmed to-do, had inexplicably produced the wrong figure for that square, probably having had his elbow jogged by a gremlin on leave from a computer. It should have been a 7 instead of a 1. So we owed Golf six more points. The adding up had been all right, and they had $172\frac{1}{2}$. Quick, what's 1121 plus 6?' Oh, dear.

Never before in the history of Jim's Mystery Tour have there been three joint winning teams. But it's true. Fate has decided thus. And anyway, we all think all the teams are marvellous.' Congratulations to every one of them.

KEN JOHNSON.

And now, a breath of fresh air for "Co-Ordinator", news from the boys themselves! I quote:

"Hi there, people,

"Hope you don't mind us taking up a small space in "Co-Ordinator", but we here at Champion Hills would like to make just one or two small announcements, if that's O.K. with everyone.

"Firstly, we'd really love to tell you in person that our AGM is on the 8th of December, a Monday, but that would take too long so this notice will have to do for the moment. Everyone and his brother is invited. More details will be available in next month's star-studded, action-packed edition of "Co-Ordinator", if the editor will allow us back inside these hallowed pages.

(Not sure we recognise ourselves from the description, but rest assured your return

will be most welcome! - Ed.)

"Secondly, our chaps have just had their annual elections so, therefore, if anyone has any complaints or such stuff, then the men for you are:-

Chairman: Nick Smith, 175 Baldock Rd.
 Secretary: Tim Jurdon, 511 Broadway."

(CHAMPION HILLS VSU)

FIRST AID COURSE

I have received the names of only six people so far who would like to participate in the above Course, details of which appeared in last month's "Co-Ordinator". Another six are needed before this Course can be run, otherwise it will have to be cancelled. The 15th of November is the last date for receiving applications- either use the application form printed in October or send me your name and address together with the E2 deposit. (Send to 42 Salisbury Road, Baldock).

And may we add here a message to those of you who have unhappily not renewed their Fellowship subscription - (and if not, why not!) Should you wish your Fellowship subscription to lapse, your copy of "Co-Ordinator" will not be appearing on your doorsteps as from next month. Sorry!
