THIS IS YOUR ZONE!

The GSLs' meeting on the 23rd November authorized the ADC (Scout Fellowship) to adjust the zones in Letchworth for which various troops have responsibility for delivery of things, such as the Newsletter for the Blind. These zones were originally drawn up by DC Leslie Brown for the old "Bob-a-job Week" and have been modified several times, but this latest amendment allows the-two newest groups to play their part, while reducing the large areas of responsibility_for some of the older groups.

12L zone is Penn Way and its branches; and Willian village which was formerly 5L country.

11L zone is Rushby Mead (except the southern part where 11L HQ is situated!) extending eastwards between the railway line and Baldock Road.

4L zone includes the whole of Baldock Road, and Pixmore Way, Howard Drive, the Manor Park estate, and also parts of the former 1-3L and 5L zones - namely; everything east of Broadway and as far north as Gernon Road.

5L zone is reduced, the eastern limit now being Broadway and Pasture Road.

10L zone is unchanged, being the Jackmans Estate.

7L zone is reduced, including Bedford Road only west of Corner Close, and Wilbury Road west of Standalone.

1-3L zona has slid northwards, losing everything south of the railway except the shopping area, and now including Haselfoot, Saffron Hill, Haymoor, Longmead and most of Wilbury Road (formerly 7L zone), and Norton Road with everything west of Green Lane (formerly 8L).

8L zone still includes Green Lane, Norton village and the Grange Estate.

BALDOCK - continues as before, with the old Great North Road as the division. East of this is 1B zone: west is 2B in the hopeful anticipation of the rebirth of the Scout troop.

KEN JOHNSON,
ADC (Scout Fellowship).

"Recycling the news and other related stuff!

Once again, dear friends, the time has come to announce the Champion Hills A.G.M. This year, wonderful people, we will be talking, looking, eating, drinking, watching and other things on 14th December at about 8.00 pm at the 1-3rd hut in Icknield Way.

This year we may or may not have - depending on the vagaries of the weather and the ability of some guys to put the show on the road, a film of our exploits in the Bungo Trophy, photographs of other activities in the year, an accounts list (if you're lucky), food and drink (if we can afford it), people to look at and talk to, and Alex Head. Yes, we realise that the,thought of hearing and seeing

Alex will get you to get up and get on down to IcknieldWay on the aforementioned date. Be there or be square.

CHAMPION HILLS."

THE FIRST AGM OF THE SCOUT AND GUIDE HQ AT JACKNANS, Radburn School site, off Allison, is at 8 pm on 8th DECEMBER. All are welcome - DAVID NORTHOVER.

WOULD YOU BELIEVE IT - I have no "Calendar" to type! When is it all happening, and where? Answers, please, by next "Co-Ordinator" - probably early 1982. Meanwhile, I wish you a Happy Christmas and a Wonderful New Year.
