## HALL TROPHY 1982

FINAL: Wednesday, 12th May

A good audience helped the Scout Quiz final to be a gala occasion at 8L HQ. First, a short challenge match involved volunteers from the audience, and the non-uniformed team (Frank Todd, Alan Wright, Syd Blaxland and Arthur Wood) beat the uniformed team (Steve Lusty, Gordon Petitt, Dick Walsh and Peter Hardy) by 10 points to  $8\frac{1}{2}$ .

Then the serious business began, with Fourth Letchworth Saxons making their bid to gain the Hall Trophy for the first time, represented by Stuart Pavey (11), Alastair Hensman (12), Andrew Smith (13) and Lee Varley (15). Eighth Letchworth had had the trophy before, some years ago, and James Todd (11), Michael Wright (11), Shaun Denman (13) and Paul Denman (16) were hoping to get it back again.

After an equal-scoring first round, the Saxons crept ahead for the next two. Then the Eighth regained a small lead at half-time, and with one round to go were five points ahead. In the final round, the current events questions, the Saxons halved that difference and the final score was.

8L ...... 28 : 4L(S) ......  $25\frac{1}{2}$ 

The Hall Trophy was presented to the winning team by Scout Fellowship Chairman Alan Wright, and the evening ended most sociably with tea and biscuits provided by the victorious Eighth.

Please try and come on June 24th, 1982, when the Garden City Study Group have been invited to present their slide show and lead a discussion on the future

development of Letchworth. The presentation will commence at 8.30 pm.

The Study Group has been formed to ensure that a study of the town being undertaken for the Corporation by the Brunel Institute of Organisation and Social Studies is able to present a balanced view from the town. Its object is to see the discussion as part of a conversation with the community and to use these discussions to produce an audio-visual record of Letchworth's look at itself for its eightieth year.

PETER DEARY, District Chaplain.

Well, that's it, rather a meagre-looking "Co-Ordinator" this month.. Surely there is some news, information somewhere .....?

Please excuse the rather colourful mixture of paper - I am using up all the left-overs. And, just in case there is no "Co-Ordinator" next month, may I take this opportunity of thanking all the contributors and particularly Ken Hart for seeing to the duplication of the stencils every month. Been nice knowing you - over and out!
