

Easter CO-ORDINATOR NO 282. APRIL 1983.

OFFICIAL NEWS-LETTER of ASHWELL, BALDOCK AND LETCHWORTH SCOUTING.

--- Easter Greetings

Easter Greetings to all who read Co-ordinator! Unfortunately, there appear to be a number of people who would like to be kept in the news by this news-letter but do not receive a copy.

Apart from Scouters and Group Committee Chairmen who get it free, the annual Subscription for Co-ordinator from 1st April is only £1.00 per annum (plus postage if you want it posted!).

This is good value, and it is possible that many lay members of our organisation do not know they can have a monthly copy of Co-ordinator by paying a subscription.

You can help by getting new customers for us - and this also helps to ensure the continuation of the publication by assisting with the costs of production.

Also, please check that copies already issued to you for lay persons are not being passed to lapsed subscribers - I issue more of these copies than the number of subscriptions I have received!

I shall be writing to Group Scoutleaders and Chairmen separately about this.

Don't forget that suggestions for improvement and any contributions for Co-ordinator will still be gratefully received.

THE EAVES TROPHY: Goes to the Adult gaining the most points.

THE PLINSTON TROPHY: Is awarded to the Group earning most points from its combined Pack and Troop results.

-- music and entertainment --

THE ADLAM TROPHY: Is presented to the Cub or to the Cub Pack which performs the most 'entertaining' item in the Festival in the opinion of the adjudicator.

TUE NORTON TROPHY: Is presented to the Scout or to the Scout Troop which provides the most entertaining item.

THE BAKER TROPHY: This is an individual award for the Cub or Scout musician or vocalist, who performs with technical skill, provides good entertainment and shows promise.

CYCLOCROSS — ice stops Cubs. 52 SCOUTS COMPLETE.

This year the Scout section had kindly invited the Cubs to take part in a special Cyclocross event on the Saturday before the Scout event.

Unfortunately, this had to be cancelled at the last minute because the Warden at Weston Park reported that there was 'ice under the mud' on the track and it was not considered to be safe.

I am informed that the Scouts intend to run another Cyclocross especially for the Cubs, later in the year.

However, the Scouts' competition was very successful with 52 boys taking part, and Jeff's Computer working overtime to tabulate the results, which are published below.

Correction !!

Last month we published the date for the Fellowship Gliding Day as April 15th.

Wrong!!

The Gliding at Duxford will take place on AUGUST 15th.

There's no age limit in the Fellowship, so why not ALL have a go?

MASTER (Scout) MIND 1983.HALL TROPHY (Scout general knowledge Quiz)

As usual, teams are to be of FOUR Scouts,
of whom TWO must be under 13.

Arrangements for matches should be made with the honorary traditional
questionmaster.

The match between 4L and 12L was played on 22 March. Both these teams
were also drawn to play 2B, but there are contradictory rumours about the
existence of the latter troop. If 2B cannot be found, 4L automatically
qualify for the semifinal draw.
