The new format, introduced last month, seems to have met with approval and the additional copies issued for Cubs and Scouts will help Leaders to keep their boys informed.

This month there are no extra copies for the boys, these will be issued with next month's edition, and will include the answers to the Scouts' Quiz in the July Co-ordinator.

By the way, you did give your boys a copy last month, didn't you? I'm sorry none of them could answer the quiz!! (As I've received no replies from any of them must I assume none of them could answer the questiona?)

2B CUBS KEEP BUSY...

While the rest of the District Cub Packs competed in the Cub-Olympics, 2B Cubs took part in their school sports and Fete Day, helping to raise £1,000 for Church and School funds. Meanwhile I started to put the finishing touches to the planning and organising of the Pack's weekend camp at Weston.

Twenty Cubs participated in the camp, 11 of whom had not camped before. However, everything went extremely well and the newcomers quickly learned the ropes. We used the assault course in the woods....made gadgets....took compass readings....played cricket & rounders....pitched and struck tents....and cooked a cake in a foil oven.

On the Saturday evening we had a camp-fire to which Parents came and joined in the singing, which added to everyone's enjoyment, and on Sunday our new Parish Priest joined us for a few hours, getting to know the boys and enjoying their activities.

I am indebted to Iris Kerrigan (5L) and Gill Taylor (1B) who came along on Saturday and cooked beautifully for us. I would also like to thank the parents for their assistance, especially Bob Eversden, Alan James, Peter and Margaret Francis, and Gerry Cogar whose help made it an extremely successful camp.

Helping the Rotary ½ Marathon was great fun....handing out cups of water and wet sponges....getting soaked in the process....we'd help again next time-too. Really enjoyed it!

Our last summer event was a visit to the Eagle Park at Buntingford for a water games competition. Once again we all got thoroughly soaked and had a great time. We look forward to their return visit to us in the Autumn.

Many thanks to Diana for the above contribution. I look forward to receiving more news of Pack and Troop activities. for inclusion in Co-ordinator. Anyone out there listening?
