Oh! where & oh! where have your
Little CUBS gone??! ---

At the first two Gang Show rehearsals between 30 and 40 Cubs 'signed on' to take part in this year's Gang Show.

As there is a special item, specifically written for Cubs, we need those who signed on to come to rehearsals! BUT since we resumed at the begining of Sept., little more than a dozen have turned up!!! And we can't do their item without them.

Leaders, will you remind your boys, and ENCOURAGE them to come to rehearsals regularly; it will help us to put on a show to which you would be proud to bring your friends. We're doing our bit - help us by doing your bit too.

about what we did:

Summer '85, now nearly over, has been one of very inclement weather, especially affecting our many Pack Holidays. Camps & Expeditions.

Nevertheless, that inclemency was not adverse enough to dampen the spirits of our many Cubscouts, Scouts and Venture Scouts who ventured out into the great outdoors.

The reports I have received give clear evidence that our boys and girls have had a fair share of adventure, fun and new relationships. Amongst the activities carried out were hikes, mountain walks, climbing, abseiling, nature trails Crafts, Canoeing, Sailing, Alpine and Glacier Expeditions (Venture Scouts), & of course, & wide range of games.

about how we did it:

The P. C. Forms returned to me from the site-visiting commissioners indicate to me that our activities this summer have been of good quality, behaviour & scout spirit. A D. C. can't expect more from his district's ambassadors.

about my appreciation:

Thank you & well done to all you Cubscouts, Scouts and Venture Scouts. May I also thank all you leaders, & your lay help for making it possible for our boys
(Cont'd next col)

and girls to have the opportunity to take part.

Thanks to you all,
about a Cub-Scout - - -

A Cub-scout who achieves the pinnacle of his Cub-scout career by earning the 'Gold Arrow' award has without doubt displayed characteristics of determination, dedication, humility, workmanship and fellowship.

To allow this achievement to pass by without special attention is sad.

about what we shall do - -

To rectify this situation we shall be holding two 'Gold Arrow Award' days per year. Each day will offer the Cubs fun, films and food, capped off with a presentation of a special certificate.

about who can come - -

At the presentation, the Cubscouts' parents and Leaders will be invited to see their boys and to partake in Coffee & Biscuits afterwards.

about the first one - - -

The first award day will be:

26th. October, 11.00hrs @ St Michael's Church Hall, Broadway, Letchworth.

about what you must do - -

Will all Leaders please submit to Christine ADC, Cubs, the names of all their boys who have achieved the Gold Arrow between 1st. January & 25th. October 1985, NO LATER THAN 18th. October 1985.
