BEAVER NEWS

Tuesday 13th July. Unlucky for some.

Perhaps the 13th. is slightly unlucky, at least weather wise. It was 1st. Baldock Beavers, Wednesday Colony big night. Firstly at 5pm. we took the boys onto the assault course at Norton Bury. Some attacked this with ease, others took a bit longer to come to terms with it. The weather was against us, it was drizzling most of the time. We had to call a halt early, but we were looking forward to the Bangers and Bash that followed. The boys were joined by Beavers Scouts from the District and they all took to the field at Norton Bury to play with the parachute. The Service Team were in control as usual. The boys were kept busy with a few more games, then off for a Hot Dog and a drink. After they had been fed and watered it was time for a good sing song around the Camp Fire. It was then time for our Wednesday Colony plus two from Tuesday Colony to be invested. We would like to thank Bob Williams DC for doing the Investiture with us and braving the rain. Thanks to Bob Hemmings our GSL for helping out and to Sheila Staines ADC Beavers for another enjoyable event.

HELPING OTHERS.

Some of you may remember in the April issue that 1st. Baldock Beavers sent used stamps to help with the Addenbrookes Kidney Machine Appeal, well we are still helping others for we have also sent used stamps to the R.N.L.I. This is an ongoing appeal and anyone can help. It doesn't take much organisation and it is IMPORTANT. PLEASE send your used stamps to :-Royal National Lifeboat Institution.

COUNTY CUB SCOUT CAMP - GILWELL PARK. JULY 9/10/11th.

What has happened to my promised report???

Bob and I went along on the Saturday and had a great day, we visited nearly all the Sub Camps but time ran out on us. I had my face made up, we retrieved footballs, dodged flying bombs and walked miles all to get our passports stamped. We were fed and watered at our camp- Hong Kong- they had a super display and an even better "Chinese Cook", Thank you. One of my highlights was meeting Trevor Brooking and getting his autograph. The evening ended with our Dragon parading round the Camp Fire and a terrific sing song. I hope we will have a full report next month.

DISTRICT RECORDS.

I have in my possession some District Competition records, some going back to the 1930's. I wonder what has happened to all the Cups and Trophies of those now not in existence? How many County Commissioners Standards are still around or didn't we win any?  
Anyone interested in looking at these records can contact me.
