SCOUT FELLOWSHIP.

Remember Roger Keeney ?.

Many Hertfordshire Scouts in the 60s and 70s met this exuberant American with camera. Still irrepressible, Roger spent 1994 teaching in Japan and sent detailed sometimes hilarious, letters and artifacts to the HSG Scout editor - who'll be reading extracts to Letchworth and Baldock Scout Fellowship and all who care to come a~. hear them at Letchworth Guide HQ, Icknield Way. (TL220331), 7.30 Monday 16 January. Hear how to play Pachinko, how to climb Mount Fuji, what to do when your noodles have eyes in them !
