

# Co-Ordinator

As we end a VERY busy 2025 I would like to thank everyone for the huge amount of time and effort they have put in throughout the year.

This year I have seen most of you at Meetings and Events working together as a team to deliver Scouting for all of our Young People.

This year the highlight has to be Lochearnhead! What a trip that was after having not been for so long! And Thanks to everyone who made it possible!

However this should not detract from the everyday effort that everyone puts in, planning and running meetings, organising camps and ensuring everyone has an opportunity to gain their top awards. (To name a few)

Thank You to every one of you who does their bit to make sure Scouting continues. It would not be possible without you

**THANK YOU**

## 4th Letchworth Scouts

The Scouts were hard at work last Friday (12 December) channelling their inner architects, engineers, and (let's be honest) sugar addiction. Their mission? To construct gingerbread houses so magnificent that even Santa might consider downsizing from the North Pole.

And don't worry - no gingerbread houses were harmed in the making of this competition (though several marshmallows mysteriously disappeared). Thank you for supporting our Scouts in their festive training programme After all, if they can build a structurally sound gingerbread house and train, surely they can survive a night in the woods?

All the best with sticky fingers

# January is Bring a Friend Month!

## Share the fun. Double the adventure

This January, invite a friend to come along and see what Scouting is all about!

Whether it's Squirrels, Beavers, Cubs, or Scouts, your friend can join in games, challenges, and adventures - and discover how amazing Scouting really is.

### Why bring a friend!

- Friends make everything more fun!
- New members help your group grow stronger.
- Parents get to see what we do - and might want to join the adventure too!

### Get involved

Bring your friend to your next meeting in January - no uniform or experience needed.

Let's make 2026 our biggest adventure yet!

Preparing young people with skills for life.

Are you ready to join the adventure?

## Ron Smith

It is with great sadness that we must inform you that Ron Smith passed before Christmas.

Ron was an invaluable member within the District for many years with roles including District Executive Committee Member, Chair of 12th Letchworth Scout Group, Census Co-Ordinator and he welcomed many of us into the movement in his role on the Appointments Committee. Ron had an amicable personality and was willing to share his extensive knowledge of Scouting. He was very efficient and paid great attention to details in all his work.

He deservedly achieved his Bar to the Award for Merit and 25 Year Service Award in 2014.

## Colin Green

**30 November 1947 - 29 November 2025**

It was with sadness that we received the sad news of

Colin's sudden death. Colin was married to Karen a former Guide District Commission. This relationship brought him in contact with Scouting as a result of joint activities with the Guides. Colin played a leading role in the community and was president for six terms of the Rotary Club Letchworth Howard and he was instrumental in the District getting its first minibus.

He helped raise funds for Scouting, and Guiding with his popular race nights and along with Karen he was a warden at Wymondley Wood Scout and Guide Centre where he also undertook maintenance work. He was a successful business

man and always willing to give help and advice on management issues.

## John Davies

**1944 - 2025**

It is with sadness that we report the passing of John Davies, an ex Cub, Scout, Senior Scout with

1st Baldock as well as a Rover Scout. John was a regular member of the Gang Show, organised the Icknield Shield and attended the 11th World Scout Jamboree in Greece in 1963 as a Leader. In 1961 he was awarded his Queen's Scout Award. The Whalebone Trophy was made by John from an actual cetacean vertebra discovered on the coast of Aberdeen on Sunday 30 July 1961. Our Sympathy and prayers are with his family at this sad time.
